Follow the progress of the Bogue Inlet Channel /  
Western Phase Nourishment Project at  
[www.emeraldisle-nc.org](http://www.emeraldisle-nc.org)

## Project Details

- Project will benefit ocean-front property owners, inlet-front property owners, navigation interests, public access, and the environment
- Relocation of main channel in Bogue Inlet to a location approximately 3,500 linear feet west of current location; equidistant between Bogue Banks and Bear Island
- Removal of approximately 1,006,000 cubic yards of high quality sand from new channel
- Approximately 710,000 cubic yards used to nourish the ocean beach from Lands End clubhouse to Santa Maria Dr. (6800 block)
- Designed to add approximately 75 feet of additional width to the dry beach strand
- Approximately 296,000 cubic yards used to construct a closure dike in the existing channel to divert inlet flows through new channel
- New channel will be approximately 7,000 feet long, 15.5 feet deep, and range in width from 150 feet to 400 feet
- \$10.86 million budget overall; \$9.8 million construction budget
- \$7.06 million funded by Town of Emerald Isle, plus \$3.8 million from NC Division of Water Resources

## GROUND BREAKING CEREMONY

### *Bogue Inlet Channel / Western Phase Beach Nourishment Project*

The Town of Emerald Isle will hold a **Groundbreaking Ceremony for the Bogue Inlet Channel / Western Phase Beach Nourishment Project on Monday, January 24 at 9 am**. The ceremony will be held on the ocean beach right near the inlet shoreline, in the vicinity of the 11200 block of Inlet Drive near The Point. Attendees may park along the Inlet Drive right-of-way for this event, and access the beach via the Channel Drive access (the ceremony will occur west of the Channel Drive access).

The Town will have refreshments available for the attendees.

If the weather is not acceptable, the ceremony will be at the Emerald Isle Town Hall in the Board Meeting Room at 9 am.

The Town is anxious to get started on this important Town project. Everyone is welcome to attend.
