For immediate release:

Suspension of Private Contractor Disposal at County Temporary Disposal Sites

October 30, 2018

10:00 am

Carteret County, NC –On October 31, 2018, private contractors will no longer be able to utilize the County's temporary debris sites.

Citizens wishing to self-haul can continue to use the temporary disposal sites listed below:

1. Mariner's Park, 157-175 East Street, Sea Level
2. Eastern Park, 450 Highway 70 East, Smyrna
3. Western Park, 275 Old Highway 58, Cedar Point (non-commercial vehicles only)
4. Garner Site, 293 Carl Garner Road, Newport
5. Otway Site, 485 Harkers Island Road, Beaufort (vegetative debris only)

As of Thursday, October 25th, the County has accumulated at the temporary debris sites almost 1 million cubic yards of both vegetative and construction and demolition debris. The County anticipates that the first pass on non-state maintained roadways will be completed within the next two weeks. NCDOT continues to collect debris on state system roadways. The Public Works Department would like to assure citizens it is monitoring debris pickup contracts and noting where additional debris collection may be needed. Please be patient during the collection process as these crews are working diligently to clear the right-of-ways.

For more information on hurricane debris pickup, please contact the Carteret County Public Works Department at 252-648-7878.
