## **Carteret County COVID-19 Two Confirmed COVID-19 Deaths Reported Press Release #127**

**Carteret County, NC** – The Carteret County Health Department regrets to inform that the County received a report of two confirmed COVID-19 deaths of Carteret County residents. One resident was in their 70's and had preexisting health conditions. The other resident who passed was in their 60's. Both residents died from complications associated with the COVID-19 virus. To protect the families' privacy, no further information about these residents will be released.

“The Health Department extends our condolences to the families and loved ones of these residents” stated Health Director, Nina Oliver. “Getting vaccinated supports us all in keeping our community safe and healthy.”

The Carteret County Health Department continues to offer vaccines to residents ages 12 and older to help reduce the chances of contracting COVID-19. Individuals who wish to make an appointment to receive the vaccine can call (252) 728-8550 and select Option 2.
