

As CCATS resumes service, please utilize the following guidelines.

***What we're doing for safety.***

1. Each vehicle will be sanitized several times a day.
2. Drivers will have masks and gloves available for their usage.
3. We will continue, for a limited time, not charging fares.
4. The first row of seating will not be utilized in order to comply with social distancing.

***What we're asking of our customers.***

1. We will allow some flexibility with canceling reservations should you become ill or even think that you are. **DO NOT RIDE** if you feel you have been exposed to **any** illness.
2. All customers are expected to utilize face masks.
3. We will be limiting the number of passengers on our vehicles at any one time. Due to this, trips may require additional time, please plan accordingly.
4. Should multiple passengers be on the vehicle at the same time, please remember social distancing guidelines.
5. Returning from a shopping trip, you should carry on only what can be stored in your lap.
